AWARDS AND ACCOLADES

Trophy Wine Show: Silver 90 points
NWC 2023: Double gold

TASTING NOTES

An elegant wine, with an aroma of fleshy peach, citrus, lanolin and vanilla. The wine has a creamy mouth coating texture, evident wood aromas and an elegant long finish with just the right amount of acid to keep it fresh and vibrant.

AGEING POTENTIAL

This wine will gain complexity over the coming 3-4 years.

THE VINEYARD

These Chenin Blanc grapes were harvested from three dry land bush vine vineyards in the Voor Paardeberg and the Swartland, between 20 and 35 years old.

WINEMAKING

The fruit was harvested at a variety of sugar levels, between 22 and 23 balling, whole bunch pressed and settled before being fermented in barrel with natural wild yeast. We used 500- litre French oak barrels, with around 25% new super tight grain oak. The balance were older barrels. Fermentation was very slow.

Total production 3 110 bottles.

THE STORY OF THIS WINE

Every now and again we hear of a parcel of grapes with an interesting story or discover a vineyard that gets our creative juices flowing. This range of wines comprises small volume, premium wines from exclusive and sustainably-farmed vineyards.

We share our small-scale wine making equipment with one of the region's biggest producers, Leeuwenkuil Family Vineyards. Over the past 13 years we have worked in their experimental cellar crafting small batches of wine. This relationship allows Painted Wolf Wines access to some of the best vineyards in Paarl and the Swartland.

Painted Wolf Wines supports the conservation of the highly endangered painted wolf (African wild dog) and the protection of the diminishing wild spaces of Africa, through its donations to the EWT – www.ewt.org.za and Tusk – www.tusk.org.
